THESE ARE NOT MY WORDS. THEY ARE **YOURS.**

Let's be  
**social**

(You know, from an introvert-friendly distance.)

If you have suffered in silence or faked being fine, these words are for you. If you're feeling broken, you're not. If you have wondered more than once if it's all worth it, it is. You are. If you are tired of being tossed pills and platitudes instead receiving understanding or compassion, I see you and these words are **ours.**
